

DECLARATION BY INVENTORS

Each of the below named inventors, hereby declare that:

My residence, Mailing address and citizenship are as stated below next to my name,

I believe that I am an original, first and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention,

Entitled: Differentiating Acute Myocardial Infarction From Other ECG

Abnormalities

Docket Number: J-INOV.1018

the specification of which is attached hereto.

I hereby state that I have reviewed and understood the contents of the above-identified specification, including the claims.

I acknowledge the duty to disclose information which is material to patentability as defined in Title 37, Code of Federal Regulations, § 1.56(a), and which is material to the examination of this application, namely, information where there is a substantial likelihood that a reasonable examiner would consider it important in deciding whether to allow the application to issue as a patent.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made, with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
